TEN PICNICKERS KILLED SUNDAY

At Huntingburg, Ind., Nine Others Probably Fatally Injured—Most of Victims Women and Children.

Huntingburg, Ind., June 27.—Ten persons, most of whom were women and children, were killed and nine others probably were fatally injured when a truck loaded with twenty-one picnickers was struck by Southern passenger train No. 3 one and a quarter miles west of here at 8:45 o'clock this morning.

The dead, all of whom were residents of Huntingburg, are: Edward Rehl, wife and son, Ben Fuchs and son, Mrs. W. L. Hartke and son, Mrs. Lon Stutsman, Mrs. Walter Steiner, and Miss Mildred Mayo.

The injured are: Walter Steiner and son, Ollie Stutsman, Misses Mildred and May Stutsman, Mrs. Clara Hartke, Miss Edna Rehl, Miss Louise Rehl and Roland Hehl.

Both dead and injured were brought to Huntingburg, where a special train was made up to rush the injured to hospitals in Evansville. The special, enroute, was held up by a freight wreck at Oakland City and did not reach Evansville until 3 o'clock this afternoon.

The members of the ill-fated party were members of the local lodge of the Woodmen of the World and their families. They were on their way to a picnic ground a few miles from Huntingburg, where the lodge was holding an outing.

DIES AT THE AGE OF 103

William Johnson, Veteran of Mexican and Civil War. Born Near Ballard's Mill.

Irrington, June 28. (Special)—William Johnson a veteran of Mexican and Civil wars, died at the age of 103, being born in Louisville in 1817 on Beargrass Creek, near the spot where Ballard's Mill now stands.

Mr. Johnson leaves eight children and forty-two grandchildren. E. M. Johnson, a farmer and trader of this section being one of his sons. Mr. Johnson was buried at Grahampton, Ky., on June 22.

REV. CARL GREGORY TO HOLD CAMP MEETING AT KAVANAUGH.

Louisville, June 25.—Church workers of the Louisville and Kentucky conference of the Methodist Church will conduct three important meetings this summer at Kavanaugh Camp near Crestwood. The first will be the training school for church and Sunday school workers, which will be held July 20 to July 26. It will be followed by the meeting of the Girls' Missionary Society of Kentucky, July 28, to August 3. Immediately following the girls' missionary meeting, the annual camp meeting will be held, the dates being August 5, to August 15, inclusive. Services during the two-weeks camp meeting will be conducted by the Rev. Carl Gregory, of Owensboro.

COUNTY S. SCHOOL ASSOCIATION

To Meet in Cloverport July 15. Pres. D. D. Dowell Urges Schools to Send Delegates.

The Breckinridge County Sunday School Association will convene in Cloverport, Thursday, July 15, in the Methodist church. Mr. D. D. Dowell, cashier of the Bank of Hardinsburg and Trust Co., who is president of the Association, is urging every Sunday school in the county to send their delegates to this meeting.

Mr. Dowell in a communication with the county secretary, Mr. Vivian Pierce says: "Please write all the Sunday school secretaries in the county and impress on them to send their delegates at this time. Also, have their schools make an offering for the international work. Let's have every school represented if possible, and arrange for one of the best conventions the County has had in several years."

Mr. Geo. A. Joplin, General Secretary of the Kentucky Sunday School Association expects to be here for the convention, besides several other prominent state and county Sunday school workers. Mrs. V. G. Babbage, chairman of the program committee is arranging for a very interesting and instructive program.

One pleasant feature of the convention will be the basket dinner to be served on the lawn. A large delegation of Sunday school workers is anticipated by the local schools.

CARD OF THANKS

We desire to extend our sincere thanks to our friends, for kindness shown us, in our bereavement of our husband and son, H. M. Harper.

Mrs. H. M. Harper
Mr. and Mrs. Edward Gregory.

WILSON GIVEN DEMONSTRATION AT OPENING OF DEMOCRATIC CONVENTION, SAN FRANCISCO

Showing of President's Picture Caused an Outburst From Delegates. Cummings Delivered Opening Speech.

At the opening of the Democratic National Convention in San Francisco which was at the noon hour Monday, June 28, the great auditorium in that city where the convention is in session was filled by thousands of people.

The first notes of the Star Spangled Banner brought the delegates to their feet and a monster flag was dropped from the ceiling to form a wall of color behind the platform. The great flag, in a few minutes was gathered up slowly and as it rose it uncovered the flag draped and illuminated picture of President Wilson. With this there was a moments pause and then a wild shout rang from the floor. It was caught up and echoed from all sides, then there was such a tremendous outburst of applause and roaring as was never heard before. Vice Chairman Kremer tried repeatedly to

call the house to order and each time he was interrupted by another outburst of cheering.

It was not until Chairman Cummings, of the National Committee had been elected temporary chairman and escorted to the platform that the uproar ceased.

Chairman Cummings delivered the opening address and he spoke the thoughts of President Wilson. He told of the principles upon which the President desires the Democratic party to go before the country in the 1920 campaign, and it was noted that the President's main issue in the campaign was the League of Nations.

It is said that in the minds of the mass of delegates the main question of policy before the convention is the prohibition issue. It is believed that the candidacy of Gov. Cox, of Ohio, has materially weakened by his accepted connections with the wet cause and he is steadily losing ground to the advantage of William G. McAdoo, New York.

W. J. Bryan is attending the convention and leading the fight for a home dry plank, while James Nugent, of New Jersey is the field marshal for the wets.

BURGLAR GETS \$25 AND LEMON PIE

Enters Home of W. J. Worden Saturday Eve. Chloroforms Men Sleepers.

A burglar entered the rooms of Miss Cecil Smith and her brothers, Billie and Frank Smith, Saturday midnight at the home of their parents, Mr. and Mrs. W. J. Worden, who were out of town visiting in Northern Indiana. Miss Smith stated the burglar helped himself to cash amounting to \$25, three pieces of jewelry, and in the kitchen he got a delicious lemon pie that had been made for Sunday dinner.

Miss Smith was awakened by the burglar when he entered her room, but she was so overcome with fright that she was speechless and the burglar made his escape before Miss Smith could awaken her brothers, whom she claimed were chloroformed.

Miss Smith gave an accurate description of the burglar to Chief of Police Pate and Judge Brabandt, who are working on the case.

5TH JULY CELEBRATION IN H'BURG

Parent-Teachers Association Planning Benefit Carnival For County High School.

Extensive preparations are going on in Hardinsburg this week for the high 5th of July celebration which will be held in Mr. Roscoe Dowell's Grove near the Hardinsburg ball park. The celebration will be in the form of a picnic and carnival, having a barbecued dinner and all sorts of carnival attractions in the way of foot races, etc. In the afternoon there will be a base ball game between Derby Ind., and Hardinsburg which will be one of the drawing attractions for the day.

The members of the Parent-Teachers Association of Hardinsburg are managing the picnic and carnival and will use the proceeds of the day for the benefit of the Breckinridge county high school.

DOLLAR HARDING LENT COMES BACK AT LAST.

Washington, June 23.—Suppressing for obvious reasons the name of the sender Senator Harding's office today gave out this letter from a man at Rochester, Pa.:

"Dear Mr. Harding—It is not my intention to owe a President of the United States anything except my admiration and good will, therefore I enclose my check for \$1. Some years ago in your private office at Marion I borrowed the \$1 for reasons you may imagine. It helped at a time when work was scarce and money scarcer. I am pleased to note the lender en route to the White House."

FIRE DAMAGES NEW AIRDOME

Screen and Several Benches Burned Sunday Afternoon. Loss Amounted to \$150.

Fire of unknown origin broke out in the Airdome Sunday afternoon about 2 o'clock and destroyed several benches, the picture screen, and the piano box and side fences were considerably charred by the flames. The fire was discovered by two young colored boys who saw the smoke rising above the high board fence and they gave the fire alarm. The members of the Hardinsburg baseball team, who were on their way to the ferry boat going to Tobinsport for a game, were among the first to help extinguish the flames. The piano was removed from the burning box and undamaged, and the flames were extinguished before they reached the operator's booth containing the picture machine.

Mr. J. S. Beavin, who owns the Airdome which has only been completed a short time, stated his loss amounted to \$150. He had his Airdome in shape for the regular show Tuesday night.

LAMB-POLK CASE FINALLY SETELED

Lawsuit Envolves Finest Track of Land in Perry Co. in Tobinsport Bottom Land.

The case of Henry Lamb, guardian for Margaret Polk Vs. Marion Polk, to set aside deed and for the possession of 100 acres of river bottom land at Tobinsport was settled outside of court last week after considerable dickering on the part of both sides during the court proceedings. The case was tried in Cannelton having been on the docket for about a year. The case was filed for the Polk heirs by Henry M. Lamb seeking to have Margaret Polk adjudged insane. Prior to the death of her brother, Ave Polk, the two lived together on the 100 acre tract of farm land which has been in the Polk family for more than 100 years, lies on the point in Tobinsport and is considered the finest piece of land in Perry county.

After the death of her brother, Miss Polk made her home with another brother, Marion Polk. While living there she made a deed giving him this 100 acres of land if he would take care of her the rest of her days. Soon after the suit was filed by Lamb to test Miss Polk's sanity the case was tried and she was found incapable of attending to her own business and Lamb was named her guardian. Polk was not satisfied and asked for a new trial.

It is stated the case was finally settled in this way: Lamb pays the court costs, including the attorney fees as well as the attorney fees of Minor & Ewing for resisting the insanity proceedings; recovers the farm and gets the rental from it for 1920. Polk, the defendant, recovers \$2,053 which the Ave Polk estate owed him for money he advanced for debts, and the rent of the farm for three years, for the "board and keep" of Margaret Polk, who has resided with him.

Cars-FOR SALE-Cars

One Oakland Six touring car used but little in first class condition. One Ford Roadster bought last season, as good as new. Also one good two Horse road Wagon. One rubber tired Buggy with good set of harness. One pair of Jack Mules about 15 hands high 8 or 9 years old, fat, sound and a splendid team.

One family Buggy Horse 9 or 10 years old sound, and dependable.

One black Jin mule, a real mule, 16 hands high, 6 years old.

Will sell for cash or approved paper.

VIC ROBERTSON

HARDINSBURG, KY.

Bred Gilts for Sale

BRED TO FARROW IN APRIL

When you can save all the pigs, these gilts are good individuals of the very best breeding that I have been able to buy at any price, and bred to a son of Black Price the 1918 Grand Champion of the world and Big Uncle Sam by Big Buster by Giant Buster, The Epoch Maker, the latter hog is the largest boar that I have ever seen for his age and I have looked over some of the very best ones. These hogs are priced right, regular breeders stuff at farmers prices that we can all afford to pay.

If you want a herd boar that will put you in the limelight, a real boar, a son of Black Price, this is breeding that you cannot find anywhere else at three times the price that I am asking for him a great pig for some one that needs him at a bargain. This pig is right for hard service about eleven months old.

REP. NOMINEES NOTIFIED IN JULY

Harding's Date is July 22, Coolidge on 27. Notification Ceremonies Planned.

Washington—Senator Harding will be formally notified of his nomination as the Republican Presidential candidate July 22, at his home in Marion, Ohio.

Gov. Coolidge, of Massachusetts, will be notified of his nomination by the Republican party for Vice President July 27, at his Northampton home.

The dates for the two notification ceremonies were decided on last week at a conference here in which Senator Harding, National Chairman Hays, and a subcommittee of the Republican National Committee participated.

The members of this subcommittee, in addition to Chairman Will Hays, are Charles D. Hilles, of New York, John W. Weeks, of Massachusetts, A. T. Hert, of Kentucky, J. L. Hanion, of Oklahoma, Ralph Williams of Oregon, Treas. Fred W. Upham and Sec. Clarence B. Miller.

The conference, which lasted all day and into the early night, also agreed on an executive committee to have general charge of the campaign, but its personnel will not be made public until tomorrow. It was understood that among the members appointed was Harry M. Daugherty of Columbus, Ohio.

Under a rule adopted by the Chicago convention, this committee is to be increased from 10 to 15 members, the new members to be women.

Mr. Hays issued a statement praising both Senator Harding and Gov. Coolidge, the Vice-Presidential nominee, as men measuring "up to every requirement of Presidential candidates" and informally approving the Senator's announced intention of conducting a "front porch" campaign.

"I'm strong for Senator Harding on the front porch campaign plan," Mr. Hays said, adding that Gov. Coolidge held a similar attitude. Such a method, he asserted, "is the only proper way for running a presidential campaign."

Mr. Hays announced the center of activity in conducting the campaign would be Chicago, but the New York office would be no less important than in the past, and headquarters also will be maintained in Washington and San Francisco, with a branch in Denver.

LOS ANGELES LOSS OVER MILLION

Falling Walls Injure Several Trolley Line Power Plant Damaged.

Los Angeles, June 22.—A series of earthquakes which began at 6:47 o'clock last night and continued intermittently up to 12:35 this afternoon caused damage to property in Los Angeles estimated at more than \$100,000. One person was killed and several injured by falling walls of buildings.

Three-fourths of the property damage was in Inglewood, ten miles southeast of the center of Los Angeles, where twenty-one business buildings were demolished and almost every dwelling in the town was damaged. The southern and southwestern sections of Los Angeles, closest to Inglewood, suffered more than other districts of the city, the damage here being estimated at about \$20,000.

Three slight shocks were reported from Pasadena, with trifling damage, and earth tremors also were felt at Ventura, Riverside and points in Orange county bordering on Los Angeles county. A shock at Huntington Lake, twenty miles east of Fresno, at 10:30 this morning, damaged the power plant of the Los Angeles Railway.

The damage in Inglewood alone is estimated at about \$75,000. The buildings which suffered the most damage were on Commercial street, the main business thoroughfare of the town. In most cases the fronts of the buildings fell into the street, leaving the three other walls standing. Inglewood residents worked all night clearing up the debris and boarding up the fronts of buildings which had partly collapsed.

During the period that the town lights were off automobile headlights were used by the workers. Many families slept in the open air rather than occupy their shaken dwellings. Several of the business houses had been patched up so that their proprietors were able to resume business early today. The Los Angeles City Council has adopted a resolution of-

fering Inglewood the service of all its city departments in the work of rehabilitation.

The first two shocks, which were the most severe, came in quick succession, the two covering a period of about fifteen seconds. Following shocks were slight tremors, perceptible chiefly because of the rattling of buildings.

SEALED BIDS

The County Board of Education will meet in the office of the County Superintendent at Hardinsburg, on Saturday, July 10, for the purpose of receiving bids for the erection of a school house at Balltown, Division 2, Subdistrict 2, six miles from Cloverport.

All bids must be sealed and filed with the County Superintendent not later than 9 o'clock on the date above mentioned.

Plans and specification are on file in the office of the County Superintendent, or will be mailed to prospective bidders on request.

Right reserved to reject any or all bids.

J. R. Meador, County Supt.

GOOD CROPS REPORTED IN GERMAN ZONE.

Washington, June 22, 1920.—It was announced at the State Department today despatches have been received from Coblenz, Germany, to the effect that throughout the area of allied occupation in that country crops prospects are excellent and food conditions are improving.

"The industrial situation is generally improved," the official statement said. "Conditions continue quiet throughout unoccupied Germany." It was stated further that at Coblenz the attitude of the German population in occupied territory continued to be friendly.

COLDEST JUNE 22, RECORDED IN FORTY-TWO YEARS.

UNCLE JOE CANNON LIKES DOMINOES—PLAYS EVERY SATURDAY EVE

Almost every Saturday evening Congressmen Walsh and Uncle Joe Cannon play dominoes at the National Press Club. Washington Uncle Joe has the reputation of being one of the best players in Congress.

Saturday nights are the only nights Congressman Walsh relaxes from his official duties. It is his job to know what is going on in Congress and that has gone on there for many years. He reads the Congressional Record every morning before the House assembles and keeps posted as to what is going on in the important committees of the House.

He is an encyclopedia of information on all matters before Congress, never loses his head, and is familiar with Congressional and parliamentary procedure. He ranks with Jim Mann on the Republican side and Champ Clark on the Democratic side as an authority on such matters.

Saturday night, however, he leaves behind him all thought of politics and Congressional affairs and gives

himself over to a game of dominoes with Uncle Joe Walsh says he hasn't time for golf, tennis, baseball or other outdoor sports. He gets his fun out of his game of dominoes. The veteran legislator looks upon the New Bedford Congressman as one of his "boys" and "is delighted to see him forging to the front."—M. E. Hennessy in Boston Globe.

The crocuses are peeping Above the snow again, Brave golden little shovels That beat the strength of men.

More Than 20 Years Experience

SUFFERED 3 YEARS WITH RHEUMATISM, CATARRH AND STOMACH TROUBLE, SINCE TAKING NO. 40 FEELS FINE

Gary, Ind., April 25, 1919.—"I suffered for over three years with chronic rheumatism, catarrh, constipation, stomach trouble, bad blood, nervous spells, aching limbs, so I could not sleep. Saw an advertisement in the daily paper about Men-denhall's Number 40 For The Blood. Thought I would give it a trial. Altho I was discouraged, as I had doctored with a number of physicians and tried numerous medicines without receiving any benefit. I have taken but two bottles of Number 40. Can eat anything I want without fear and am not near so nervous and am feeling fine. I am now starting on my third bottle. Mrs. Gostine Rainey, 2270 Jefferson St." 40 is demanded in female irregularities, in

rheumatic, gouty conditions, malnutrition, auto-intoxication, constipation, liver, kidney and stomach troubles. Believed to remove and prevent gallstones, appendicitis. Successfully used in eczema and skin diseases. Used with phenomenal success in chronic rheumatism, catarrh, lumbago, myalgia (pain in the muscles, muscular rheumatism or neuralgia), glandular swellings, scrofula, mercurial and lead poisoning, abscesses, sores, ulcers, boils and carbuncles. The best druggist in your neighborhood sells Number 40, but if it happens that he does not, send direct to J. C. Mendenhall Medicine Company, Evansville, Indiana, and receive it delivered to you at \$1.25 per bottle, six bottles for \$7.00.

FARM AND STOCK

The farmers of Breckinridge county have done some of the best work in their crops in the last few weeks they ever done. Their work shows they are doing it right. Their corn is cleaner, has a fine color and is doing its best to make up for lost time. Farmers are feeling good over their prospect for corn.

Tobacco that was planted early is doing fine, while there was not much planted that that is planted is growing nicely, and has a fine healthy color. With a good rain between now and the 4th of July or the 10th, there will be a lot of it planted.

Jimnie Dean says he is planting corn in his tobacco ground now and in case a rain comes before the 4th or 10th of July he will plant his tobacco. If no rain comes he will be safe on his corn.

Tom Beard reports his wheat crop good says he cut 30 acres that will thresh out 20 bushels to the acre. Not all of his crop he says is so good, but will show up so much better than he expected. He is well pleased with the outlook. He will finish cutting this week. He has 100 acres in all.

Mr. Beard is cutting his hay. He has 140 acres of the finest hay he ever raised—says it will make him 300 tons. Green hay is now worth on the market \$40 a ton.

Last Monday was "lamb day" at Webster.

Three car loads of lumber were unloaded at Addison, Monday. This is the first step in the building of a \$3,000,000 dam at that place.

Sam Bassett, Lodi, was in Hardinsburg, Monday on business. Sam says the reason Payne and Compton have such a fine patch of corn on their place at Webster, they work it and watch it day and night.

Wheat nearly all cut in Tobinsport township. It is fine too.

M. L. Conkwright, of Kingswood, was over to help his son, J. N. Conkwright harvest his wheat and plow his corn last week. Says he has a good crop of wheat, better than last year. His other crops are good too. Pretty good worker he said when "Dad" was on the ground.

Frank Ruppert finished cutting his wheat last week. He has a banner crop.

Judge Moorman was taking a sun bath on his farm Monday. He is making things hum. The Judge takes hold of farming like he has been one all his life. He is trying to keep up with Tom Beard.

ICE CREAM SUPPER SWELLS CHURCH COFFER

Mystic Ky., June 27. (Special)—We appreciate and wish to thank the public for their hearty cooperation and help to make our ice cream supper a success.

Our profit was \$34.09 which we will use for Sunday school and church work. Our revival meeting will begin on grounds near Popular Grove school house on the evening of July 19. Which we wish to invite all to attend, conducted by Rev. H. J. Blackburn.

Committee: Mrs. S. W. Davis

Mrs. J. R. Burton
Mrs. A. C. Basham

SUBSCRIPTION FOR HOLT ROAD

Mr. Mike Ketzner Has Collected Nearly \$800 Cash For Improvement of Holt Road.

A committee of three, Messrs. Mike Ketzner, Thomas Floyd and Frank Greenwood, all of the Holt neighborhood have shouldered the responsibility of taking road subscriptions, financing and overseeing the work of making passable the road from Holt to Cloverport. Mr. Ketzner was in Cloverport, Monday and Tuesday taking subscriptions among the local business men, and with what they and the farmers of Holt and vicinity had subscribed. Mr. Ketzner reported Tuesday morning that he had nearly \$800 in cash.

The road in question runs along the Ohio river and is impassable more than half of the year owing to the river and the back waters which inundate it. Mr. Ketzner stated they only hoped to raise enough money to improve the road bed and to make it passable even when the water is off the road. He said it would take several thousand dollars to raise the bridges and make the road bed above the high water mark. Weekly meetings are held at the Flood school house to discuss the improvement of the Holt-Cloverport road.

W. H. NEWMAN,
Self-Made Man, Leaves
Large Estate.

W. H. Newman, former President of the New York Central Railroad, left a report of the executor's disposes, an estate of \$937,571.

Mr. Newman was not born with a silver spoon in his mouth. He began his career as a station agent, "went through the mill" as a railroad man and reached the top. He took advantage of his opportunities to accumulate money legitimately. His career was that of an honorable, an honored man who succeeded, a typical American career.

There never has been a time in the history of the United States at which there was a better opportunity than there is today for the penniless, pushing young man whose case is a groundhog case, as he sees it, and who must get the groundhog. As in the past, there will be in the future, many such successes as that of W. H. Newman. Each is illustrative of the existence of the sort of liberty self-reliant human beings desire for themselves and for their sons.

A country in which a majority of prominent men of the business and financial worlds, and many prominent men in fields of scientific research and letters, are self-made men, is a "land of the free" which offers everything to the brave. Such a country America always has been and, despite the malignant agitators, always will be. Were it otherwise it would be a failure as a democratic country. —Louisville Courier-Journal.

EX-SOLDIER, A CRACK MARKSMAN AT RABBITS.

Yellow Lake, June 28.—John Storms one of our Pioneer Infantry boys, who did his bit over in France and Germany, now makes good his shot with the squirrels in the forest around Yellow Lake. Last Saturday he killed eight squirrels at seven shots.

KY. BAPTIST ASSEMBLY MEETS

Georgetown Convention to Be Attended By Many Church Leaders of State.

Georgetown, Ky., June 27.—The thirteenth annual session of the Kentucky Baptist Assembly, which brings together prominent Baptists from every county in the state, will be held here June 30 to July 7. Prof. John L. Hill, dean of Georgetown College, is president; Dr. C. W. Elsey of Cynthiana, manager, and George M. Newell, Georgetown, assistant manager of the assembly.

Talent this year will consist of Dr. W. B. Riley, pastor of the First Baptist church, Minneapolis, Minn.; Dr. W. O. Carver, professor of Comparative Religions and Missions at the Southern Baptist Theological Seminary, Louisville; Dr. P. E. Burroughs, Nashville, Tenn., educational secretary Sunday school Board Southern Baptist convention; Dr. C. M. Thompson, pastor First Baptist church, Winchester, Ky.; Rev. J. D. Adcock, Orlando, Fla.; O. E. Bryan, Louisville, secretary Baptist State Board of Missions; J. R. Black and Secretary O. T. Black, Louisville; Miss Kathleen Mallory, Baltimore, Md.; Mrs. Janie Cree Bose, Louisville; Mrs. Otis Hughson, Lexington, superintendent Junior Department Immanuel Baptist School; Miss Oro Scottow, state Y. W. C. A. leader in Kentucky; Miss Sallie Morton, Owensboro, Sunbeam leader in Kentucky; Mrs. J. R. Black, Louisville, and Professor Hill. The music will be conducted by Evangelist David M. Hughes, Princeton, with Miss Viola Beagle, Georgetown, accompanist.

HAILSTONES LARGE AS APPLE CHASH ROOF.

Cheyenne, Wyo., June 25.—Hailstones as large as apples crashed through roofs at Hillsdale, twelve miles from here, last night, and reduced two farm buildings to kindling wood, according to telephone reports early today.

No casualties were reported, but searching parties were sent from Hillsdale to the storm-swept area.

Some of the hailstones were said to have been eighteen inches in circumference.

E. G. BANNON RETIRES FROM PUBLIC LIFE; BACK TO FARM FOR HIM.

Mr. E. G. Bannon, ex-sheriff, of Hancock county and for the last thirteen years a guard at the Eddyville penitentiary, has resigned his place and moved back to his farm near Roseville, Hancock county. Mr. Bannon stated he was tired of public life and wanted to get back on the farm. He is the father of Mrs. Joe J. Sawyer of this city, whom he frequently visits.

WORK STARTED ON GRAVEL ROAD IN TOBINSPORT.

The work of construction on the White-Esarey improved road in the Tobin township started last week. The road is being made of gravel which was unloaded at the river landing in Tobinsport about a month ago. It is being constructed from the point at the river landing on out to Sand Hill F. S. Paulin & Co., of Cannelton have the contract for building the road.

EVANSVILLE BRAKEMAN CRUSHED DEAD BY CARS

Petersburg, Ind., June 26.—J. C. Farrabee, a brakeman of Evansville, 60 years old and married, was instantly killed this morning when he was caught between cars while a train crew on the E. I. & T. H. division of the Big Four were switching.

UNDERGOES OPERATION FOR APPENDICITIS.

Mr. Jasper Head, of New York, who is in Louisville, visiting his brother, was taken ill several days ago and it was found necessary to operate on him for appendicitis at St. Joseph's Infirmary. Mr. Head stood the operation fine and is well on the road to recovery. He is the son of Mr. and Mrs. W. N. Head, of Lodi, Ind.

NEW ENTERPRISE FOR HARDINSBURG

Brown's Perfecto Mantle Burner Co., have installed a fine plant in Hardinsburg, for manufacturing Brown's Perfecto Mantle Burner. It is a well equipped plant with all the facilities, tools and for turning out the mantles from the raw material. Mr. Brown is foreman of the plant.

FAMILY REUNION

Custer, June 28. (Special)—There was a family reunion at the home of Mr. and Mrs. George Harned, Sunday. All the children were present several of the grandchildren, and great grandchildren. Fifty-four enjoyed the bountiful dinner. Mr. and Mrs. Harned are perhaps one of the oldest couples in the county being 84 and 83 years old.

Mr. R. C. King Tells a Wonderful Story About Rats. Read It.

"For months my place was alive with rats. Losing chickens, eggs, feed. Friend told me to try RAT-SNAP. I did. Somewhat disappointed at first not seeing many dead rats, but in a few days didn't see a live one. What were not killed are not around my place. RAT-SNAP sure does the trick." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Conrad Payne & Co., Cloverport, Ky.; B. F. Beard & Co., Hardinsburg, Ky.

At the conclusion of every marriage in Holland the bride and bridegroom are presented with Bibles at the expense of the state.

MASONIC RITES FOR H. M. HARPER

Remains Brought Here From New Mexico For Interment; 34 Years Old.

The remains of Mr. H. M. Harper, who died suddenly in Albuquerque, New Mexico, June 23, where he had gone for his health, arrived here Sunday on the afternoon train accompanied by his widow, Mrs. Elsie Gregory Harper and little daughter, Magdalene, and brother, Norman Gregory, of Mack, Colo. The funeral was held Monday afternoon 2:30 o'clock at the home of Mrs. Harper's parents, Mr. and Mrs. Edward Gregory, with the services conducted by Rev. E. C. Nall, pastor of the Cloverport Baptist church. The last rites of the Masonic order were used at the burial in the Cloverport cemetery. Herdis Madison Harper was born March 3, 1886 at Camden, Tenn. At the age of eighteen he professed faith in Christ and was united with the Methodist church at Camden. On April 21, 1912 he was married to Miss Elsie F. Gregory, of this city. Mr. Harper formerly lived here and was manager for the Cumberland Telephone and Telegraph Co. Besides his widow and daughter, he is survived by his parents, two sisters, three brothers, and a host of friends.

Those who attended the funeral from out of town were Mr. and Mrs. D. S. Burks and son, Dan, of Addison, John D. Gregory, of Louisville, and John Battle, of Owensboro.

GLOUCESTER FISHERMEN GET \$25. PER WEEK.

Gloucester, June 21.—At a conference of representatives of the Fish Handlers' Union and a committee of the Wholesale Fish Packers' Association at the Board of Trade rooms this afternoon a readjustment of the wage scale was made from \$22.50 to \$25 per week.

Frank H. McCarthy, New England organizer of the American Federation of Labor, was present at the conference.

"199 PINTS WATER MUST GO WITH IT"

Mr. Bryan Says Wets May Have Their Pint of Alcohol With Large Portion of Water.

Mr. Bryan in an address in the District of Columbia the other day in behalf of the election of dry delegates to the San Francisco Convention, dealt with this question in his inimitable way:

"Why are not the wets sincere with us?" asks Mr. William Jennings Bryan. "They say they want wine and beer when what they really want is alcohol. We have no objection whatever to their having all the wine and beer they want—provided they do not insist upon its having more than one-half of one per cent of alcohol.

Pint Should Satisfy. "I will go further than that. Prohibitionists do not object to their having all the alcohol they want to drink. The law does not say that they cannot buy alcohol, nor does it limit the amount that they can buy. A pint of alcohol should certainly be enough to satisfy any man. Now we say that the wets can have their pint of alcohol but they must take it with 199 pints of water to render it harmless. That is perfectly reasonable, isn't it? One hundred and ninety-nine pints of water is nearly a barrel, and our theory is that if every wet would drink a barrel of water with each pint of alcohol, he will cultivate the water habit instead of the alcohol habit, and we will soon make a good prohibitionist out of him. The fact is that the dries are not anti-water.

Indebted to Democrats. "I know the Democratic Party, and I love that party. I owe it more than any other living man. In three elections it has given me eighteen million votes, and if it had only given me all of these votes at one time I would have been perfectly satisfied. But eighteen million votes is more than any other man, living or dead, ever

received, and because I have received them I feel under an obligation to do everything that is in my power to prevent the success of the men who are trying to debase and degrade my party in the service of an outlawed trade. When the cohorts of an evil reach San Francisco with the intention of making my party pass under the yoke of a discredited and beaten inquiry I intend to meet them with my friends and raise the slogan of the Marne, "They shall not pass."

Purchaser—I want a house with a porch.

STARK-LOWMAN CO.
Louisville Representatives

Personal Mention

Mr. William G. Polk, of Cincinnati, will arrive Friday morning to spend the Fourth of July holidays with Mrs. Polk and son, William Polk, Jr., at the home of Mrs. Polk's parents, Mr. and Mrs. Jno. D. Babbage.

Mr. Norman Gregory, a telegraph operator for the Denver and Rio Grande R. R., at Mack, Colo., is the guest of his parents, Mr. and Mrs. Edward Gregory.

Rev. Father Mark L. Parrette, of Louisville, was the guest of Rev. Father J. S. Henry, the first of this week.

Mrs. Leo Palmer, of East St. Louis, is expected Saturday for a two weeks stay with her parents, Mr. and Mrs. J. R. Sanders, and with her sister, Mrs. Alfred Blair, and Mr. Blair, of Mattingly.

Mrs. William Mullen and Mrs. John Ryan were in Irvington Monday and Tuesday the guests of Mrs. Mullen's daughter, Mrs. Ed McAfee, and Mr. McAfee.

Mrs. David B. Phelps and children, Katherine, Nancy and Master Billy Phelps, who have been visiting Mrs. Phelps' parents, Dr. Crenshaw and

Mr. Crenshaw, in Versailles, and Mr. and Mrs. H. N. Wood, in Louisville, will arrive home Thursday accompanied by Miss Elizabeth Bowman, of Versailles.

Hugh Barret Severs has returned home after spending several days in Owensboro, with his grandparents, Mr. and Mrs. William Barret.

Mr. and Mrs. Geo. Wilson and children, Martha Virginia and Geo. Douglas Wilson, of Louisville, are the guests of Mrs. Wilson's cousin, Mrs. Joe Getling, and Mr. Getling for two weeks.

Mrs. W. S. Ashby is confined to her home on the Highland Nursery Farm, with a sprained ankle sustained Sunday in an attempt to step out of her buggy.

Miss Evelyn Dyer, daughter of Mr. Dyer of the Louisville Paper Co., and who is a student in the Sacred Heart Academy, Louisville, is here spending her summer vacation at the home of Mrs. Fladger Carter.

Mr. and Mrs. Herbert Beard, of Hardinsburg, were guests of Dr. Forrest Lightfoot and Mrs. Lightfoot, this week.

Mrs. Addie Ireland, of Skillman, was the guest of her daughter, Mrs. Leon McGavock, and Mr. McGavock, Thursday.

Mr. Chas. Reidel and children, of Holt, were in Cloverport, Friday.

Mr. Earl Summers, of Henderson, was here last week to return home with Mrs. Summers and son, Earl Summers, Jr., who were guests of Mr. and Mrs. Geo. Crist.

Mr. and Mrs. Enoch Friels and children, Granoy and Lucile, Mr. and Mrs. Harve Douthitt and little daughter, Ada Mae, of Hawesville, were week-end guests of Mr. and Mrs. Louis Sahlie.

Miss Susie Squires was in Owensboro, last week the guest of Miss Margaret Sutton, who returned home with her on Thursday afternoon for a short visit.

Misses Eva Jolly and Mary Christina Hamman spent Sunday at Sample the guests of Miss Mary Judith Miller.

Mrs. L. T. Reid spent Saturday in Louisville with her daughter, Miss Martha Reid.

Mrs. S. W. Cayce, of Louisville, is the guest of Mr. Cayce, at the Cloverport Hotel.

Mr. and Mrs. Charles Martin and children, are visiting in Hodgenville.

Mrs. R. B. Pierce visited Mr. and Mrs. Wallace Pierce in Louisville, last week.

Mrs. W. G. Perryman, of Crestwood, Fla., is the guest of Mrs. F. M. Smith.

Mrs. Mannie Moorman, of Hardinsburg, is visiting her sister, Mrs. Edward Oglesby.

Miss Forrie Hardin, of Holt, has been the guest of Miss Jennie Warfield.

Mrs. Harry G. Newsom and daughter, Miss Margaret Newsom, were in Louisville, shopping, Wednesday.

Rev. C. L. Brunnington, of Harned, was in Owensboro, Wednesday.

John Johnson, of Louisville, was the week-end guest of his sister, Miss Susie Johnson.

Mrs. J. R. McAfee spent last Tuesday here with her mother, Mrs. Wm. Mullen.

Tom Bowmer, of Louisville, was here Sunday the guest of Mrs. W. H. Bowmer. Mr. Bowmer was here enroute from Hardinsburg. Mrs. Bowmer had her grand-son, William Minary, of Benton Harbor, Mich., her guest for several days.

Mrs. Sallie Moorman went to Louisville, Saturday with Mr. and Mrs. Frank Moorman, who are returning to Ft. Worth, Texas.

Mr. and Mrs. Harry J. Hamman spent several days of last week in Louisville.

Mr. and Mrs. Jas. Lawson, of Louisville, have been guests of Mr. and Mrs. John Lawson.

Mr. and Mrs. George Bentley and daughter, Miss Margaret Bentley, of

Hawesville, were guests of relatives here Sunday. They accompanied Lightfoot Miller, who was returning South.

The Redpath Chatauqua is on at Owensboro this week.

Mrs. Rosa Whitehouse, of Mattingly, will spend the summer with her daughter, Mrs. John Lawson, and Mr. Lawson.

U. S. POPULATION FOR 1920 APPROXIMATELY 105,000,000, SAYS HILL.

Washington, June 25.—The population of the Continental United States under the 1920 census enumeration is approximately 105,000,000, according to an estimate worked out today by Dr. Joseph A. Hill chief statistician for the bureau of census division of revision and results.

Under this estimate the increase over 1910 is 13,000,000 in round numbers, or approximately 14 per cent. The population in 1910 was 91,972,266. Dr. Hill uses in his estimate the figures in complete returns, announced up to June 22 for 1,409 cities and towns which have an aggregate population of 41,029,354.

FUNERAL OF HENRY RICE

The funeral of Mr. Henry Rice, 61 years of age, who died at his home between Hawesville and Lewisport was conducted at the cemetery in Hawesville, Friday afternoon by the Rev. Gammon. Mr. Rice died Thursday night. His death was due to a complication of diseases. He was one of the Hancock county foremost farmers, a highly respected and beloved man. He leaves a wife, one daughter and one son, three brothers and two sisters.—Sunday's Owensboro Messenger.

THE UP-TO-DATE DRUG STORE
 CLOVERPORT, KENTUCKY

COUNTING COST OF A DOZEN EGGS

Poultry Raisers Find Grain
Largest Item of Expense—
Feeding vs Production.

In poultry keeping, as in any other business, the aim is to keep down expenses. If they almost or totally equal the returns, then, no matter how productive the flock is, there is little profit for its owner.

One of the largest items of expense which the man or woman raising poultry today has, is the grain that is fed the birds. Every kind of cereal is expensive in comparison with former days especially corn and wheat, which are usually considered the best poultry grains. As the quantity of the grain consumed enters into the cost of producing eggs quite as well as the price of the grain, experiments have been conducted on the Government poultry farm to determine the amount of feed required to produce a dozen eggs.

Results of the Experiments.

The general-purpose pullets used in this experiment ate in a year an average of 67 pounds of feed per dozen eggs produced, and the yearling general-purpose birds ate 96 pounds. The Leghorn pullets ate 4.8 pounds, and the yearlings 5.5 pounds.

From these figures it is seen that the general-purpose pullets ate 1.9 pounds more feed in producing a dozen eggs than the Leghorn pullets. The difference increases very rapidly with the age of the stock; the general purpose yearlings consuming 4.1 pounds more feed per dozen eggs than

the Leghorn yearlings. As the price of grain varies greatly in different sections, only the grain consumed, and not the cost of it is given in the accompanying table.

Naturally the grain consumed per dozen eggs will depend very materially upon how successfully the hens are fed and managed. In these feeding experiments on the United States Department of Agriculture poultry farm, several different pens of birds were used in each class to eliminate error as far as possible.

The general-purpose fowls used in the experiments produced an average egg yield of 130.5 eggs as pullets and 88.1 as yearlings, while the Leghorns produced an average of 138.7 eggs as pullets and 124.9 eggs as yearlings.

The value of the general-purpose breeds for market or for hatching and breeding makes them usually the most desirable breed for the general farmer and the back-yard poultry raiser, while the Leghorns are especially adapted to commercial egg raising.

IMPROVED STEAM AUTO HAS GAS-CAR ADVANTAGES

Though popular opinion has made the gasoline auto the standard type, the steam car retains loyal friends because of its superior power flexibility. To retain this advantage, and achieve all that the gas car has besides, is the purpose of a new steam drive for autos, tractors, or trucks, according to a well-illustrated article in the July issue of Popular Mechanics Magazine. With this improved equipment it is declared that steam may be raised from a cold boiler in 20 to 30 seconds by merely turning a switch, that the car will run a mile after the fire is shut off, and that one 25-gal. tank of water is good for 100 to 250 miles. The continuous-flow boiler is made of nickel-steel tubing of 1/4-in. inside and 3/4-in. outside diameter, arranged concentrically in four layers, at the top of which the kerosene or fuel oil is burned in a spray.

FORDSVILLE BOY MEMBER PROFESSIONAL FRATERNITY

Lexington, June 24.—A new fraternity, Pi. Chi, a local organization composed of men majoring in Economics and Business Administration at the University of Kentucky has been formed for the purpose of promoting the welfare of the department and recognizing scholarship in these branches. Men who signed the petition are: Robert J. Raible, Louisville; C. Raymond Rodgers, Milton; Jim E. Wilhelm, Paducah; H. B. Lloyd, Fordville; C. E. Fisher, Maryville, Tenn.; and Fred K. Augsburg, Lexington.

It is a professional fraternity with scholarship qualifications, and purposes to affiliate with a national organization.

U-BOAT PRISONER TELLS EXPERIENCE

Officers of Ill-Fated U. S. S.
Neptune, Gives Story of Remarkable
Adventure and Recovery.

Richard Cannon, Chief Petty Officer of the U. S. S. Neptune, whose dramatic capture at sea by a German U-boat and subsequent experiences aboard the submarine and in a German prison hospital, thrilled the entire country, is still another world war hero to test the remarkable reconstructive powers of Tanlac and give it his strong endorsement. Mr. Cannon's adventures were so harrowing that his constitution was completely shattered but after months of suffering he has now regained the wonderful health that enabled him to pull through his adventures alive and is today the same strapping two hundred pound fighter that embarked on the ill-fated collier. But let him tell his own story:

"When the Neptune was torpedoed off the Irish coast," said Mr. Cannon, who now lives at 707 E. LaFayette, Tampa, Fla., "I had my right leg and five ribs broken by the explosion and when I came to my senses I found myself on board a submarine bound for Germany. I was kept in a German prison hospital for five months, and you can imagine what I must have suffered when I tell you that I fell off in weight from two hundred and twenty-five to a hundred and thirty-one pounds. When I was repatriated and finally got my discharge in February, 1919, I was little better than a living skeleton. I had no appetite and my digestive system was so upset that what little I did eat always gave me severe pains in the pit of my stomach. Before I joined the service I never knew what nerves were, but after what I went through my nerves were so shattered that I couldn't keep still a minute, and the slightest thing upset me. For six months I continued in this condition, unable to pick up strength, and so weak that any attempt at work tired me out completely. I began to think that I should never be a well and strong man again.

"But the way Tanlac overcame my troubles and built me up was nothing short of marvelous. It gave me such an appetite that I wanted to eat all the while, and I sure did make up for lost time. I had no more bother with indigestion and from then on I picked up strength and put on weight until now I tip the beam at two hundred and four pounds and am as well and strong as I ever was before I joined the service. My nerves are as steady as a die and I'm like my old self again. Tanlac is certainly a grand medicine and I think every suffering person ought to try it."

Tanlac is sold in Cloverport at Wedding's Drug Store, in Kirk by Mattingly Bros., in Addison by L. D. Addison, and in Ammons by Wm. H. Dutschke.—Advertisement.

SERGT. YORKE'S COM- PANION FINED ON RAID AGAINST HUNS.

Quincy, Mass.—Andrew Marchuck, Alex. Mordich, Mike Stebbins and Morris Zdinoveck were fined \$50 each in court here on a charge of gambling on the Lord's day. Sentences were suspended till Aug. 1, to give the men a chance to earn the money.

Marchuck, one of those charged with taking part in the "American game," was a participant in a much greater American game a year and a half ago, when as a member of the squad of the famous Sgt. Yorke, of Tennessee, he helped capture a large number of Germans. Marchuck was in the 82nd Division and was a member of the 325th Infantry. He was selected as part of Sgt. Yorke's squad to go out and get a bunch of German machine gun nests. Marchuck played a better hand that time than he did in this one and came back with a big bunch of German prisoners.

Marchuck is frank in stating that Yorke is a very much overestimated man as regards the raid he made against the German machine gun nests. Marchuck says the real hero of that outfit was killed in the encounter.

PRIZE COW GIVES 10,239 POUNDS OF MILK IN YEAR.

Fayetteville, Ark., June 23.—This state's champion Jersey cow is at the Arkansas Agricultural college here. She is Pearl's Alpha. Her sire was Owl's Royal Eminent and her dam Briarwood Pearl. Among her ancestors was the famous Jersey bull Golden Fern's Ladd.

The prize cow has been on a test for a year, during which time she gave 10,239 pounds of milk with an average test of 5.44 per cent butter fat. The total butter fat for the twelve months was 553.84 pounds, the highest record in Arkansas for any breed.

CORNCOBS YIELD RARE DYES AT LITTLE COST.

Of importance to the dye industry is the recent discovery that furfural, or furfuraldehyde—a dye base—can now be extracted, like cellulose, from the common corn cob, and at a cost of only 15 cents a pound, says an article in the July number of Popular Mechanics Magazine. This colorless, oily liquid has previously been obtained only in the laboratory, and at something like \$17 a pound.

Ask Your Soldier Boy How "Cooties" Got Such a Hold.

He'll tell you that the battlefronts of Europe were swarmed with rats, which carried the dangerous vermin and caused our men misery. Don't let rats bring disease into your home. When you see the first one get RAT-SNAP. That will finish them quick. Three sizes, 25c, 50c, \$1.00.—Sold and guaranteed by Conrad Payne & Co., Cloverport, Ky.; B. F. Beard & Co., Hardinsburg, Ky.

SORGHUM PRODUCTION ON INCREASE.

Nearly 30,000,000 Gallons Produced
in Last Year.

A marked increase in the production of sorghum sirup is indicated by reports received by the United States Department of Agriculture, which has been engaged in a special campaign to induce greater production of this crop because of the keen demand for sugar substitutes. At the beginning of the World War the annual yield of sorghum sirup in the United States was approximately 13,000,000 gallons. This has increased steadily until for the past year it was approximately 30,000,000 gallons. The average yield of sirup per acre has been about 100 gallons, but the fact that this figure can be increased is indicated by the department's experiment, in which more than 400 gallons per acre have been produced in some localities.

In urging increased plantings to sorghum the department's experts point out that despite the increasing yields the demand is still greater than the supply, as shown by the price for sirup, which has ranged from 80 cents to \$1.50 per gallon, and in a few cases even higher.

There are abundant opportunities for increasing the sorghum production, the experts say, since this crop can be grown in every State in the Union with the possible exception of Maine. In the northern States it is necessary to plant early maturing varieties of sorghum. "Early Amber" and "Folgers" are among the varieties recommended by the department, which is prepared to supply inquirers with full information regarding the cultivation of this profitable plant.

LAFAYETTE— "THE BEECHWOOD."

Etymologists have discovered the origin of the famous name which during the recent years of war has become dearer than ever to Frenchmen and Americans alike. LaFayette came from the part of France known as Auvergne. He was born at Chavagnac, near Brionde, and his ancestral home stands not far from the village of Aire-la Fayette. In this part of the country the word "fayette" means a wood of "fayards," and "fayards" comes from the Latin word "fagus," which in the dialect of the country has come to mean "hetre" or beech tree. A "fayette" there is a beech wood. Etymologically, then, the word "LaFayette" is the equivalent of "The Beechwood."

FARMERS FACING PROBLEM. IN CARE OF WHEAT CROP.

Concordia, Kans., June 24.—With prospects for a record wheat crop along the central branch this season, farmers can't find a place to store grain. Lumber is too scarce for building bins. Steel tanks are so slow in delivery that they cannot be assured. County agents have advised farmers to store as much grain as possible if they insist on thrashing from the shock. Agents advise holding the grain until fall for thrashing. Because of the car shortage the bulk of the 1919 crop has not been moved and it is doubtful farmers say, if any of the 1920 crop can be moved.

GOVERNMENT PAYS \$1 AN OUNCE FOR SILVER.

Washington, June 22.—Purchase of 1,700,000 ounces of silver at \$1 an ounce for delivery at Philadelphia and San Francisco was announced today by the Director of the Mint. This makes a total of 3,200,000 ounces acquired by the Government under the authority of the Pittman act this month.

Treasury officials estimate that 207,000,000 ounces of silver must be purchased under the provisions of the Pittman act, but they do not expect this to increase the price of silver, as there is little demand for the metal aboard at this time, because several governments have ceased temporarily, the coinage of silver money.

FISH SENT WESTERN KY.

Frankfort, June 23.—A carload of fish from the state fish hatchery was sent to Western Kentucky today for distribution in the streams in that section of the state. The car contained about 25,000 bass.

BIG TOM

The Alex Gray Jack will stand the present season at the Haynes farm—half way between Custer and Garfield, on new Custer road. He will serve mares at \$12 to insure a colt, money due when fact is ascertained or mare traded.

KING EAGLE

Also my saddle and harness stallion, King Eagle, will stand at the same place and serve mares at \$10.

King Eagle sired by Old King 1417, Grand sire Old Chester Dare No. 10, he by Black Squirrel, he by Black Eagle, he by King William, he by Washington Denmark, he by import Hedgford, First Dam Dollie Eagle, and Dam Emma Diamede, third dam by fancy Lord Wellington thoroughbred. King Eagle's mother is by Red Eagle No. 541. He is 15 years old the 9th day of May, 1920. He is a descendant from the great Denmark Highlander family.

It is claimed by Mr. M. C. McCormick owner of King Eagle sire and Grand sire that they are the most noted showed and bred horses in Kentucky.

HOW TO AVOID

JAR BREAKAGE.

Do not place cold jars, either filled or unfilled, in hot water.
Do not place hot jars in cold water.
Do not overpack jars which are to be processed. Some products like corn, pumpkins, peas, lima beans, and sweet potatoes, swell in processing. Pack jar only to within one-half inch of top.

Do not allow draft of cold air to strike jars when they are removed from the canner.

The wire bail should not fit too tightly or the jar will break when the lever is forced down.

All new jars should be tempered before using. To do it, put them in cold water sufficient to cover them and bring them to a boil.—United States Department of Agriculture.

"Bigger and Better"

Our Community Chautauqua program for this year is filled to the brim with up-to-date music, lectures and entertainment—all "Bigger and Better" than ever before. For five days the

Community Chautauqua

will present features of unequalled excellence. Every day will be a feature day.

On the fourth night—

WILLIAM PAXTON

the gifted Scottish orator and humorist presents his delightful lecture, "Thru the Eyes of a Scotchman." It makes you think, and at the same time entertains. Dr. Paxton has been brought direct from England to speak to Community audiences.

OTHER BIG FEATURES

include the Cecilian Trio; Leonora M. Lake, known to Chautauqua as "Mother Lake"; Theodore Knox Concert Company, instrumental, vocal music and character impersonations; Ernest St. John, authority on Russian affairs; Jean Macdonald, entertainer; Princess Nadonis Indians, with songs, stories, music; Dr. Lincoln McConnell, famous Southern orator; Wilson-Day-Lyons Company, piano, violin and vocal entertainment; Dr. Louis Hough, of U. S. Public Health Service, and an elaborate production of that famous American play, "Polly of the Circus." There are many other worth-while attractions. You cannot afford to miss a single session.

COME EVERY DAY!

You will enjoy every minute of the program—you can spend five delightful and profitable vacation days—and save money!

DEMO. PLATFORM MINUS WET PLANK

Wheeler Says Will Be "Grossly Inconsistent" to Nominate Cox. Bryan to Lead Dry Forces.

Chicago, June 23.—"Enforcement of prohibition will be a vital issue at San Francisco," said Wayne B. Wheeler, general counsel of the Anti-Saloon League of America, who is in Chicago today en route to California. "We are convinced there will be no wet plank in the Democratic platform. Mr. Bryan will lead the dry forces in the convention to try to insert a strict law enforcement plank."

"It would be grossly inconsistent for the Democrats to nominate a man like Gov. Cox, of Ohio, who is the outstanding candidate of the wets. His failure to give any encouragement to the friends of law and order in enforcing the prohibition statutes make him the outstanding nomenclature wet candidate. He is the direct opposite of Andrew Jackson on this issue of the enforcement of Federal laws. Gov. Cox has always had the backing of the liquor interests and his previous success is due to the fact that Mr. Bryan was deceived as to his attitude on this question. With the great Commoner and thousands of other prominent Democrats opposing him, he would be a weak candidate."

"Of course, Gov. Edwards would be just as bad, but he has no chance. Likewise Gov. Smith of New York, who signed the nullification beer bill which attempted to legalize the sale of beer prohibited by the Federal prohibition code."

"The Democrats have a great opportunity to take a fearless stand for law enforcement."

BUMPER CROPS FOR CANADA REPORTED.

Toronto, June 22.—Prospects are bright for bumper grain, fruit and vegetable crops throughout Canada, according to reports compiled by the Canadian press and announced here today.

Abundant crops are forecast for the fruit growing districts of eastern Canada, where there is great anxiety to procure adequate help to get in the harvest.

Western Canadian wheat reports are optimistic. Record wheat and oat crops are promised in Ontario, as well as in Quebec and the Maritime Provinces. Potatoes also are doing well in all sections.

GERMAN WAR LOSSES

1,350,000; 520,000 WIDOWS

Geneva, June 25.—Recent statistics published in Germany on that country's war losses state that 1,350,000 men were killed. There are today 520,000 war widows, according to the statistics, 1,130,000 war orphans, and 500,000 maimed or consumptives, supported mostly by charity.

TRY A WANT AD TODAY.

GROWING CHILDREN NEED VEGETABLES.

Fruit and Vegetables Necessary Part of Child's Diet.

Vegetables and fruits are now considered a necessary part of the diet of the child. The reasons are many, but most of them may be summed up by saying that they furnish material needed to form bone and tissue and to regulate body processes. The mild acids which some of them contain help to prevent constipation; so, too, does the cellulose or fiber, especially when it is raw, though its value for this purpose may have been exaggerated in popular literature.

Green vegetables are also a valuable means of introducing into the diet mineral matters, particularly iron, in a form in which the body can utilize them. Even at city prices green vegetables have been shown to be an economical source of iron. Leaf vegetables like spinach, beet greens, kale, etc., have recently been found to contain some of the growth-promoting substances that are found in milk.

The uses of fruit in the diet are much the same as those of green vegetables, though unlike most vegetables, they have a considerable percentage of sugar, especially when they are dried, and sugar is a quickly absorbed fuel food. Like vegetables, they have value because they contribute some of the nitrogen required for tissue building and repair, and some energy, food specialists of the United States Department of Agriculture say. However, they are valuable chiefly because they supply growth-stimulating and body-regulating substances and also mineral matter needed for bone and for many other purposes. The quantity of these materials in fruits and vegetables is small, it is true, but large in comparison with the amount in many other common foods.

PHONOGRAPH IS PARK NOVELTY

Phonograph music for concerts and dancing were introduced for the first time in Louisville's public playgrounds Saturday afternoon. Five phonographs have been presented to that city.

MAKE it easier to get around and you make *healthier* and *happier* communities. No one any longer questions the worth of the automobile—or begrudges any *legitimate* expense connected with it.

But millions of car owners are rebelling at the idea that running an automobile has got to mean waste.

II

Every now and then you hear a neighbor complain that "he doesn't seem to have much luck with tires."

Send him to us.

The minute a man begins to *question the service* his tires are giving him, he's ready to listen to reason.

Our business is built on the principle that the only way to get better *tire service* is to get *better tires* to start with.

That's why we have taken the representation for U. S. Tires.

III

U. S. Tires have a reputation for quality.

Built up through years of creating better tires. Such as the *straight side* automobile tire, the *pneumatic* truck tire.

It is not by chance that U. S. Tires are made by the *oldest* and *largest* rubber concern in the world.

We are proud to represent U. S. Tires in this community.

Select your tires according to the roads they have to travel:

In sandy or hilly country, wherever the going is apt to be heavy—The U. S. Nobby.

For ordinary country roads—The U. S. Chain or Usco.

For front wheels—The U. S. Plain.

For best results—everywhere—U. S. Royal Corda.

ROYAL CORD—HOBBY CHAIN—USCO—PLAIN

Baled Hay Brings the Highest Price

Baled hay is the easiest to handle, occupies less storage room and is in the proper shape for shipment to markets where the highest prices are paid.

Besides getting higher prices for your hay, you can also save money by baling it with a John Deere-Dain Motor Press—the hay press that makes neat, well-shaped bales quickly.

Come in and let us show you one of these presses, and explain to you why it does better work. We want particularly to show you

the eccentric gear construction and to explain why, by mounting the gears off-center, more work can be accomplished without any increase in power. The powerful stroke of both plunger and self-feed arms, and the automatic tucker, insure neat, well-pressed bales. The quick return of both plunger and self-feeder on the idle stroke gives plenty of time to feed the press. The improved form of block dropper is a convenience you will appreciate.

No matter whether you want a hay press for custom work or only for your private use, we can furnish you with a John Deere-Dain Motor Press of the right size and capacity.
